Anaqueel de Alambre

Wire Shelving Rack

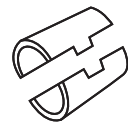

CONTENIDO

Postes x 4

Repisas x 4

Soportes para repisa x 16

ENSAMBLE

1. Ensamble los postes enroscando macho con hembra.

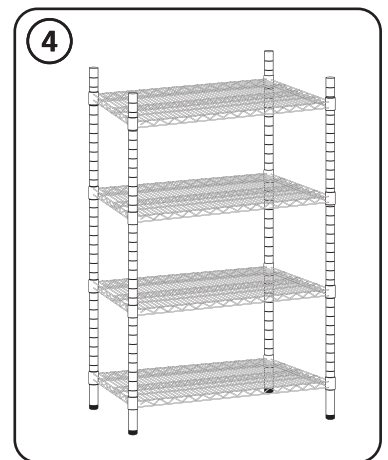

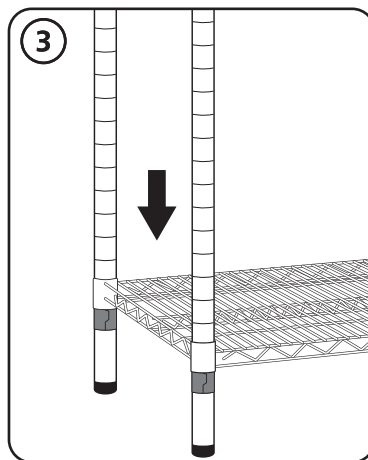

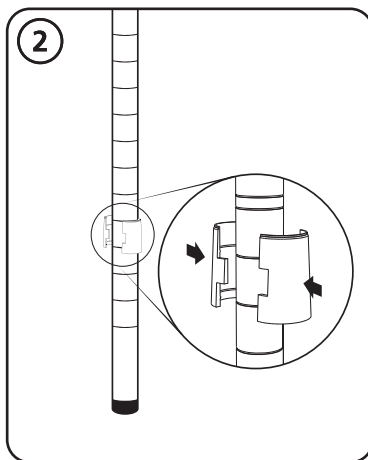

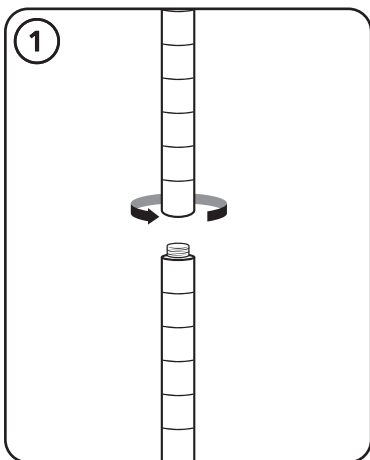

2. Inicie con la repisa más baja. Coloque a presión los soportes para repisa (extremo amplio hacia abajo) en el poste, donde desea ubicar la repisa. Deslice el soporte hacia arriba o abajo hasta que ajuste en la ranura.

NOTA: NSF requiere que para aplicaciones en el servicio de alimentos se mantenga la repisa más baja cuando menos a 15 cm del suelo.

NOTA: Asegúrese de que los soportes para las repisas estén colocados debajo de la repisa.

3. Deslice el poste a través de la parte inferior de la repisa, hasta que la repisa se deslice firmemente sobre los soportes.

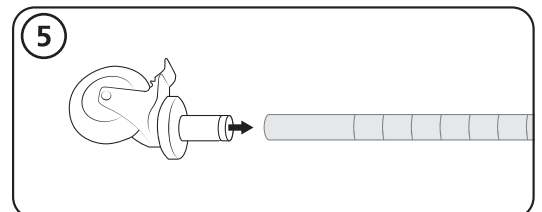

4. Repita los pasos del 1 al 3 para fijar el resto de repisas.

5. Instale las ruedas opcionales (no suministradas*), asegúrese que el poste esté posicionado como se muestra. Ponga el freno de las ruedas para mantenerlas fijas durante el ensamble. Utilice un mazo de hule para meter los vástagos de las ruedas dentro de los postes.

NOTA: Repita el paso 4 para los otros postes.

*NOTA: Las ruedas se venden por separado.

CONTENTS

Post handles x 4

Shelves x 4

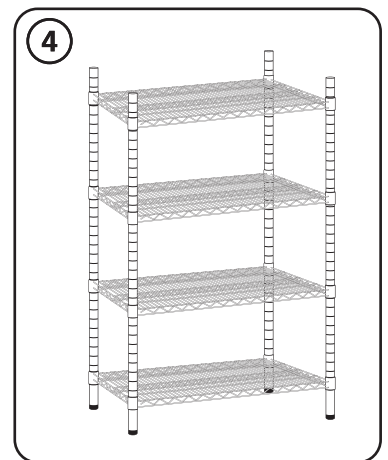

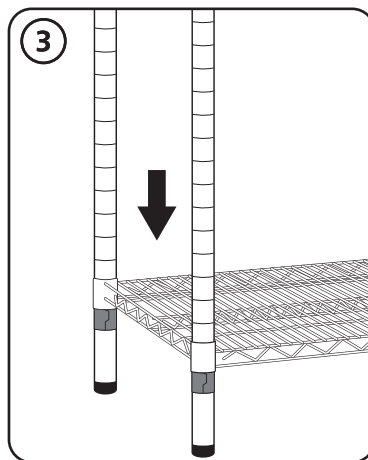

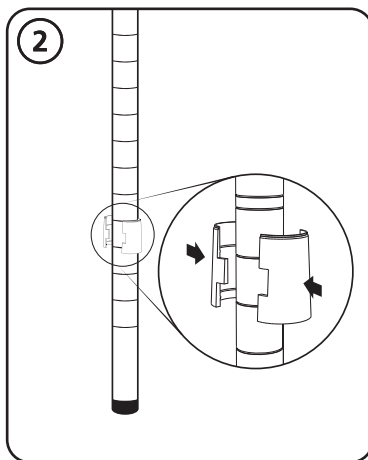

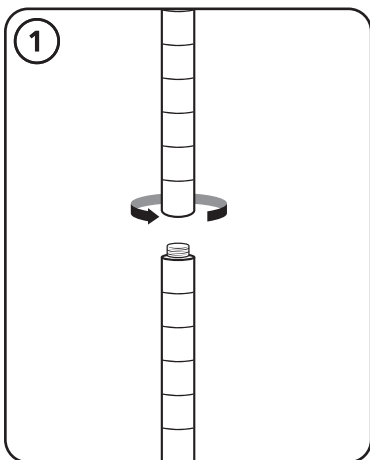

Shelf supports x 16

ASSEMBLY

1. Assemble the posts by screwing female with male.
2. Start with the lowest shelf. Snap the interlocking pieces of a shelf support (wide end down) around the post at the highest groove where shelf is to be located. Slide the support up or down until it snaps into the groove.

NOTE: NSF requires food service applications to keep the lowest shelf at least 6" above the floor.
NOTE: Make sure shelf supports are located under the shelf.

3. Slide posts through underside of shelf until shelf slides firmly over supports.
4. Repeat steps 1 through 3 to attach the remaining shelf or shelves in the same manner.

5. To install optional casters (not provided*), Make sure post is positioned as shown. Engage the wheel brakes to keep casters from rolling during assembly. Use a rubber mallet to tap caster stems into posts.

NOTE: Repeat step 4 for other posts.

*NOTE: The casters is sold separately.
