LLAVES DE GOLPE PLANAS 12 PUNTAS

PULGADAS

ACABADO FOSFATIZADO

- Particularmente el diseño plano de estas llaves (en línea, boca respecto del vástago de la llave) permite su aplicación en aquellos lugares donde no existe un objeto u obstáculo para su accionamiento.
- 12 puntas diseñadas para ajustar perfectamente entre la tuerca y la herramienta.

• Amplia zona de impacto que brinda mayor confianza y seguridad al golpear.

• Exceden la norma federal GGG-W-636E.
